

**Do you agree or disagree with the following statement:**  
*“Colleges and universities that have put out statements on political issues in the past should put out statements condemning Hamas’ recent acts of terror in Israel.”*

Do you agree or disagree with the following statement:

*“In recent years, many colleges and universities in America have put out statements on issues like Black Lives Matter, the war in Ukraine and terrorism in Israel. Generally speaking, I support colleges and universities taking stances on political issues – controversial or not.”*

As you may know, several student organizations at Harvard University signed a controversial letter that blames Israel entirely for the recent deadly attacks by Hamas on Israeli citizens. Multiple business leaders who have ties to Harvard University have expressed outrage and have said that they will NOT hire any students at their companies who have signed this letter. Do you support or oppose business leaders deciding NOT to hire Harvard students who signed this letter blaming Israel for the deadly attacks by Hamas?
